

Make Your Tournament A Sure Winner

Play at one of America's best youth sports centers, the Elizabethtown Sports Park. Comfortably spread over 150 acres, this championship complex offers features that would make the pros proud.

25 magnificent lighted venues – 12 ball diamonds, 1 ADA accessible baseball complex, and 12 multisport fields – give you the flexibility to handle even the biggest tournament or deal with scheduling challenges with ease.

State-of-the-art Musco sports lighting lets you make the most of every day. While our computerized drainage and irrigation systems keep fields playable even when the weather doesn't cooperate.

Batter Up!

Your players will feel like big leaguers when they leave their covered, brick dugout and take the field. Each of our 12 diamonds has a warning track to protect your outfielders, bullpens where relief pitchers can safely warm up, wireless scoreboards and shaded seating. Championship diamonds have covered stadium seating.

On Your Toes

The Elizabethtown Sports Park has 10 natural grass fields and 2 championship fields with synthetic turf. Goals and player benches are available for all fields.

The championship fields have terraced hillside seating, electronic scoreboards, and permanent striping for soccer or football. There are also permanent goal posts for football.

The Ultimate Fan Friendly Experience

Friends and family love the Elizabethtown Sports Park too because there are lots of comforts for spectators of all ages.

There are 6 full-service concessions, 9 restroom facilities including 7 family restrooms, and 3 large covered pavilions with tables and seating for

pre-game and post-game gatherings. For younger fans, there are 4 playgrounds with cool water misting stations to help keep youngsters from overheating in hot weather.

Or, if you'd rather warm up than cool down, there's even a 3 mile walking/jogging trail.

We're All For Families

Elizabethtown is the perfect host for families and teams. We have affordable hotels, with new locations opening yearly, along with restaurants and shopping all within reach. When it's time for a break from sports, there are lots of things to see and do right in the area. Visit our water park, the historic State Theatre, many miles of hiking and biking trails, not to mention the downtown area with museums, Civil War history and more.
